

Guidelines ישיבה

בן תורה is a מקום for a בחור to develop into a true תורה.
These guidelines will help facilitate that הצלחה, and create a conducive atmosphere.

ATTENDANCE

Utilizing one's time wisely, with a קביעות – consistency, is key for הצלחה. This includes full attendance for all שיעורים, סדרים, תפילות, and general studies classes.

- All appointments should be scheduled during הזמנים בין or on Friday afternoons. If unavoidable, it should be communicated to Rabbi Gottesman in advance.

ATTIRE

The outward appearance of a בחור is part of the צורה of a תורה. בחורים should dress in a manner that reflects the חשיבות and sensitivities of a תורה - one who identifies himself as part of the ציבור of תורה, and distances himself from the culture and styles of the street.

- Attire befitting the sensitivity and צניעות of a תורה בן is expected at all times, and locations, including during PE and in the dorm.
- During sports activities conventional athletic attire is permitted. Shorts are not permitted.
- The attire of a תורה בן is not limited to Yeshiva hours. It is befitting for a בחור to wear his hat and jacket in public.

DORMITORY LIFE AND PERSONAL ITEMS

One of the unique qualities of our Yeshiva is the conducive environment for focused and undisturbed learning. Every בחור has a responsibility to himself and his peers to contribute to and strengthen this atmosphere, and not ח"ו weaken it.

It is therefore understood, that the privilege of dorming is contingent on conducting oneself accordingly.

- Keeping to the curfew times, is imperative for a restful night, and productive day to follow.
- An important part of being a תורה בן is proper personal hygiene and clean neat apparel.

- Reading books is encouraged as a healthy outlet and means of relaxation. Yeshiva has a library for the **בחורים**'s use. Books brought from home published by frum publishers are welcomed.
- A **בחור** should not be reading Non – Frum or secular books, newspapers or magazines.
- Likewise, musical instruments can provide a healthy outlet. **בחורים** who wish to bring in an instrument should receive permission from Rabbi Gottesman.
- Cooking appliances of any kind are prohibited in the dormitory.
